## *From Our Principal*

*Welcome back to Otago College and the start of the 2026 academic year. I hope you have all had a safe and enjoyable Christmas, and have had valuable time to spend with family. With that said it has been great to see our students this week during course confirmation and meet some of our new families during the enrolment process.*

*Our NCEA results are out and congratulations to the many students who have done well. Some highlights are:*

- Best ever University Entrance Rate*
- For the ninth year in a row our Level Three pass rate is above the national average for all schools.*
- Our Level Two pass rate was above the national average for all schools.*
- 

*As always there are areas where we need to improve and we will be working hard to do this, so that your children get the best possible opportunities and choices when they leave Otago College at the end of Year 13.*

*We are looking forward to welcoming new students to Otago College on Tuesday, as well as the new staff. I look forward to seeing you throughout the year, and working together to achieve the best possible future for the children you have entrusted in our care.*

## *Our Commitments*

Our commitment is to be respectful. A key part of being respectful is using appropriate language. Learning what words, and indeed the volume, you use in different circumstances is one of the challenges of growing up into young men and women. Teenagers find this hard to do, so talking to them and explaining how different situations require the use of different words and mannerisms is a great step on developing articulate respectful young men and women.

## Attendance

Regular attendance means attending school at least ninety percent of the time.

Like other top schools we expect all our students to be at school on time each day. Students should be at school by 8:30am and it is their responsibility to be seated in the correct places for assembly. Your support in making sure your child is at school on time is appreciated.

If your child is going to be late or absent please phone the office 9634000 to leave a message on the absence voice mail before 8:00 a.m. You can also email [attendance@otahuhucollege.school.nz](mailto:attendance@otahuhucollege.school.nz)

Each day a text message is sent out to families when their child has been marked absent up until 10am. Please reply to this text letting us know where your child is.

There will be times when your child may be absent and for whatever reason the school has not been informed, in this case a note needs to be brought the first day back and given to the whanau teacher

## Students get taste of life at university

■ STEVE HEPBURN

MORE than 400 secondary school students are dipping their toes into university life this week in Dunedin.

The Hands-On at Otago week-long event is taking place in the halls of the University of Otago with the campus having classes in many different subjects.

The 403 pupils come from 203 secondary schools around the country. The programme gives those in year 12 and year 13 this year a glimpse of student life in Dunedin.

The students stay at residential college Te Rangihirua, soaking up the atmosphere in the large hall. A wide range of university departments and schools are involved in the programme and students get to try out everything from dissection, creating stone tools and chocolate making to building a radio antenna and

Brian was featured on the second page of the Otago Daily Times last week, highlighting his experience at Hands-on at Otago.

A huge shout-out to Brian for representing our school so positively. He attended the summer camp alongside two other dedicated students, Kristian Lai and Jasmeen Kaur, who also embraced the opportunity.
