Key:

- N = Numeracy
- L = Level 1 Literacy
- CAAs = Common Assessment Activities (digital literacy / numeracy assessments, sat under exam conditions in May and September)
- R = University Entrance Literacy (UE LIT) Reading
- B = University Entrance Literacy (UE LIT) **Both** (Reading **or** Writing)
- L2 = Level 2 credits

In Year 11 Students must achieve:

- 10 x numeracy credits from Standards in Math, Commerce, Geography
- 10 x Level 1 Literacy credits from Standards in English, Commerce, Geography **or** 10 x credits from CAAs

University Entrance Literacy (UE LIT):

- University Entrance Literacy (UE LIT) requires 10 UE LIT credits: 5 **Reading** (R) and 5 **Writing** (W). **Both** (B) credits can count toward **either** Reading **or** Writing
- UE LIT credits come from Level 2 and Level 3 standards, so progress usually begins in Year 12.
- 11HIS and 11DRA include Level 2 standards with UE LIT credits, meaning students in these courses should aim for UE LIT progress this year.
